Unit of Study: Space and Planets

Bible Story: Moses - Burning Bush

Color: Yellow **Shape**: Star **Number**: 7

Sharetime: Students may bring something pertaining to space or planets to share with the class.

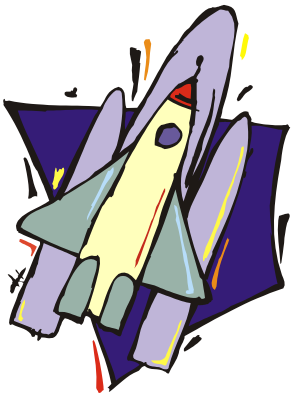
Birthday Wishes: I would like to wish a "Happy Birthday" to Edith on July 14th!

Special Snack: We will be having a "Planet" snack this Friday, July 17th. The school will provide the snack.

Vacation: I will be on vacation July 20th – 24th. Miss Neilson will teach the class.

School Closed: The school will be closed July 27th- July 31st to get ready for the new school year.

Enrichment Activities:

- Take a walk outside when it gets dark and count the stars.
- Read a book about space or planets with your child. Have your child point to the planets and name them.
- Look around your house and see how many yellow items you and your child can find.
- Sing "Twinkle, Twinkle, Little Star" with your child. They will love singing with you!
- Thank God for creating the universe.
- Read Exodus 3:1-15 together. In this story Moses has grown up and become a shepherd. He saw a bush burning and decided to go over to the bush, and amazingly, heard God speak. Would you be scared hearing God speak to you? I might have been scared. God told Moses he was to lead the Israelites out of Egypt. Moses trusted that God would help him accomplish such a feat. God did, indeed, help Moses. I so enjoy sharing God's Word with you each week!


God bless you all,
Miss Karen Peterson
