Share Day: Students may bring something that relates to the unit of study.

Featured Composer: Every month we will listen to a famous classical music composer during our art and quiet activity time. This month our featured composer is Chopin.

Enrichment Activities:

- Talk to your child about real and "make believe". For example, fairy tales and nursery rhymes are make believe and the stories in the Bible are real.
- Gather some different materials in the house and some dress up items and reenact some of your child's favorite nursery rhymes. Empty boxes would be great for the "Three Little Pigs". Pretend to be the wolf and your child can pretend to be the little pig and blow the house down.
- Have your child tell you the story of their favorite nursery rhyme. Knowing nursery rhymes helps boost language skills and builds vocabulary.
- Review our weekly Bible story with your child, "Daniel and the Lions' Den" (Daniel 6). Daniel's disciplined life of prayer should be an example for us to follow. We need to be careful not to let the pressures of our schedule cut into daily prayer life.

Love in Christ,
