**Unit of Study:** Transportation

**Bible Story:** Parable of the Good Samaritan

**Share Day:** Students may bring some kind of transportation or something relating to our Bible story on Thursday or Friday.

**Enrichment Activities:**

- Play a game with your child to see how many kinds of transportation you can think of, from the smallest skates to, as big as a rocket.
- After restrictions are lifted and you feel safe enough, consider taking a family trip on the Amtrack train to Los Angeles. There are several things to do near the train station. For example, the L.A. Children's museum and Olvera Street are both within walking distance. Your child will love this super fun hands-on museum, and Olvera Street is a fun place to eat and shop.
- Talk with your child about God's presence in his/her life. The Bible says that even though we cannot see God, He is there. Help your child to understand that when he/she prays to God, He hears their prayers. Read Psalm 139 with your child to hear what God says about His presence in our lives.
