Enrichment Activities:

- Discuss the many things that you and your child can find around the house that are black and have your child pick out their favorite black object. You can also discuss how the Pilgrims wore black hats and outfits.
- Talk to your child about the Pilgrims and why they wanted to come to America.
- Pray together, thanking God for His many blessings.
- Read Luke 1: 26-38 together. This is a special time of the year when I get to share the story of Jesus' birth with the children and I will be sharing the story with all of you too! My prayer is that you will enjoy learning about Jesus as much your children do! The story begins when a young woman, named Mary, is told by the Angel Gabriel that she is to have a baby and his name will be Jesus. Mary is unmarried and is very concerned about this. The angel tells Mary that the Holy Spirit will come upon her. Mary loves God and wants to obey Him, so she tells Gabriel that she will do what God asks of her. What faith it must have taken to do this! We, too, should have such faith! There will be more to this story in the next newsletter.

Love in Christ,
Miss Karen Peterson
