

Welcome to Miss Nisbet's Class!

Summer 2020

Hello and welcome to my class! My name is Bonni Nisbet and this is my eighth year at Little School of the West. I worked here for two years as an aide in the two-year-old class. I am finishing up my sixth year as a teacher and I couldn't be more excited! I am currently on the road to obtaining my Early Education Certificate.

I am so thankful that the Lord has blessed me with this opportunity to teach your children here at Little School of the West. I have loved working with children ever since I volunteered as a "helper" in the nursery at my church when I was just twelve years young! Thank you so much for entrusting your children's education to me this year. I'm looking forward to building a relationship with each individual child in my class!

This newsletter will provide you with important information that you will need throughout the summer.

Newsletters: Each week my newsletter will be posted in the classroom as well as on our school website: littleschoolofthewest.com. Please be sure and read them thoroughly as they will have important information for each week.

Unit of Study: Every week our class will be exploring a different subject about the world around us. We will be doing several different activities in class, planned around the unit of study, so that your child may gain a better understanding of it.

Bible Time: Every week we will learn a different story from the Bible. The foundation of Little School of the West is a Bible based curriculum. Teaching children about people and events in the Bible is essential, so that they will be able to apply what God has taught them to their everyday lives. We will also have one "big idea" every week pertaining to the Bible story. The "big idea" will be posted in the newsletter each week, as well as on our Bible board in class.

Special Snack: Our class will occasionally have special snacks pertaining to the unit of study to help us extend our learning. To ensure the health and safety of our students and staff, the school will be providing all ingredients for our special snacks at this time.

Sharetime: Every week, children will have an opportunity to share an item from home that relates to our unit of study. Tuesday-Thursday students may bring something to share on Thursday. Monday-Wednesday-Friday students will share on Friday. Five-day students' share day is indicated below. **Your child may bring one item for share on their designated day. Please label your child's share item before bringing it to school.**

Thursday: Sienna Vargas, Easton Kimberlin, Parker Neuman

Friday: Gabriel Janssen, Carter Johnson, Lincoln Ramirez

Birthdays: We love birthdays here at Little School of the West! You will have an opportunity to celebrate your child's birthday during our morning snack time. If you do you wish to celebrate, please sign up by replying to the email the office will send out. Please remember to give me two weeks' notice. For further instruction, please refer to your school handbook. Reminder: cakes are not allowed.

Sticker Cards: Each child has a sticker card for the week. Children will receive stickers throughout the morning when I see them being "students". Sticker cards will go home on Thursday for T/Th students and on Friday for all other students.

Please contact me if you have any questions, concerns, or prayer requests. Even though logistics look somewhat different at this time, I know we will have a wonderful summer and I'm looking forward to spending time with your little ones!

**God Bless,
Miss Bonni Nisbet**
