### **Home Enrichment Activities:**

- On December 1<sup>st</sup>, start the Christmas season off by introducing your child to the Advent Calendar. Show them how to open the door to each date on the calendar and find a surprise! If you don't have an Advent Calendar you can purchase an inexpensive one at the Dollar Tree. If you would like a reusable one that tells the Christmas story, you can find one online at [Christianbook.com](http://Christianbook.com).
- Make Christmas chains with your child by cutting up strips of red and green construction paper and taping or stapling each strip together to make a chain. Hang the chain up as decoration for Christmas.
- Pray together, thanking God for His angels that watch over us.
