

Miss Molinar's Prekindergarten 2 Class Aug. 3 - 7, 2020

Welcome:

This is the beginning of our new school year! I look forward to getting to know each and every one of you and "hanging out" with you this year.

Unit of Study:

Me! My Body!

Week's Work:

Students will discuss how God made them, how they are unique and how each child is gifted in their own special way. We will learn the proper printing and sound for the long "Aa" sound. We will work on spelling our names out loud and with ASL fingerspelling. This helps our auditory growth, name recognition, as well as our fine motor skills. We will be working on strengthening our fine motor skills, as well as working on the recognition of our numbers 1 - 10.

S.P.A.:

A Ape says, "A, A, A, A, Ape. Come to the zoo for a gape."

Rhyming:

We will be making a list of words that rhyme with the long "Aa" sound, such as "tape and cape".

Bible Story:

Creation – The Story of God creating the heavens and earth in 7 days.

Bible Verse:

"In the beginning God created the heavens and the earth." -Genesis 1:1

Share Day:

Each week your child can bring one item related to our unit of study. During this time your child will speak in front of their peers describing the item and its importance to them. This develops their verbal skills and expressing themselves to others. This week please have your child bring a baby picture of themselves. Share days will be as follows:

2 Day students will share on Thursday.

3 Day and 5 Day students will share on Friday

Color of The Week:

Red. We will be looking at items that are red in color. We will look in nature, in books, foods we eat, as well as the clothes we wear. I encourage the children to continue this activity at home discovering items in the life that are the color red.

Featured Composer:

Every month we will learn about and listen to a famous classical music composer during our art and quiet activity time. We will learn fun facts about their lives and try to identify their songs. This month our featured composer is Ludwig Van Beethoven.

Fruit of the Spirit:

"Love." This week we will be working on character traits that show love. For the next 9 weeks we will highlight each trait and work on ways to build them in our lives.

Enrichment Activities:

*Find different items in your house that start with the long "Aa Ape" sound.

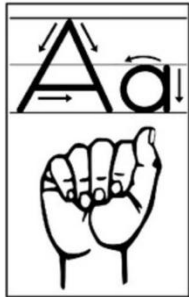

*On a shopping trip, see how many fruits or veggies you can find that are red.

*While in the car, look at license plates, and count how many have the number 1 in them.

*Take time to thank God for His wonderful creations: you, your family, your friends, and our beautiful world.

Psalm 139:14 -

"I will praise You, for I am fearfully *and* wonderfully made".

God bless you all,
Miss Molinar
