Enrichment Activities:

- See how many green items you and your child can find around the house!
- Put a little green food coloring in your milk and watch what happens.
- Look at a globe with your child and help them to find the country Ireland.
- Visit a library and find a book that talks about Ireland. You and your child will enjoy learning about another culture!
- Please read Luke 22:19-20 together. Our story continues when Jesus is sharing His last meal with His disciples before He is taken to the cross. Jesus told His disciples that when they ate the bread and drank the wine that they represented His body and blood. We, too, need to remember that God loved us so much that He sent His Son to die for us! I look forward to sharing more of this story in the next newsletter.

God Bless!
