Home Enrichment Activities:

- Let your child help you make a grocery list and go grocery shopping with you. While you are shopping, talk to them about the different food groups you see while walking down the aisles.
- Make trying new foods a fun game by putting small pieces of different types of food into a muffin tin. Take turns trying a bite of each type of food; this is a fun way to test new foods with your child and see what they might like!
- Read about "Samuel Hears God Speak" in 1 Samuel chapter 3. As a young boy Samuel worked with Eli in God's temple. One night Samuel heard a voice calling him and thought it was Eli. Eli said it was not him calling and told Samuel to go back to bed. This happened 2 more times and Eli realized it was God calling Samuel! Eli told Samuel to go back to bed and to say, "Speak, for your servant is listening" when he heard God call again. Samuel did what Eli said and God spoke to him and told him of His plans. God speaks to us though the Bible, which is His word! Thank you, God, for speaking to us and teaching us the way in which to walk!

Love in Christ,
